We, the Class of 1967 and the Viking staff, dedicate this yearbook to Mr. Edward F. Kotun, co-sponsor of the senior class, who has given of himself to us and our school. Throughout his three years as our Senior Class Co-Sponsor, Mr. Kotun has been our sparkplug and enthusiastic leader. During all of our money making projects, from the Christmas paper sales to the spaghetti dinner, he has been there to help carry us through. With-out the untiring efforts of Mr. Kotun and Mrs. Stone, also a co-sponsor, the senior class would not have been able to complete our two winning floats; the Swiss Clock and the Yellow Submarine; or construct the beautiful prom that we did. Mr. Kotun was the friend our Class needed.

Our school board, made up of a group of responsible adults, plays an important role in the development of our school system. Its members have consolidated their knowledge and experience to form an effective directing body. Their prime concern is to supply us with new facilities which will enhance our intellectual and social growth. We, the student body of HHS, owe them a great deal of thanks and admiration for the work they do to benefit our school.

Administration

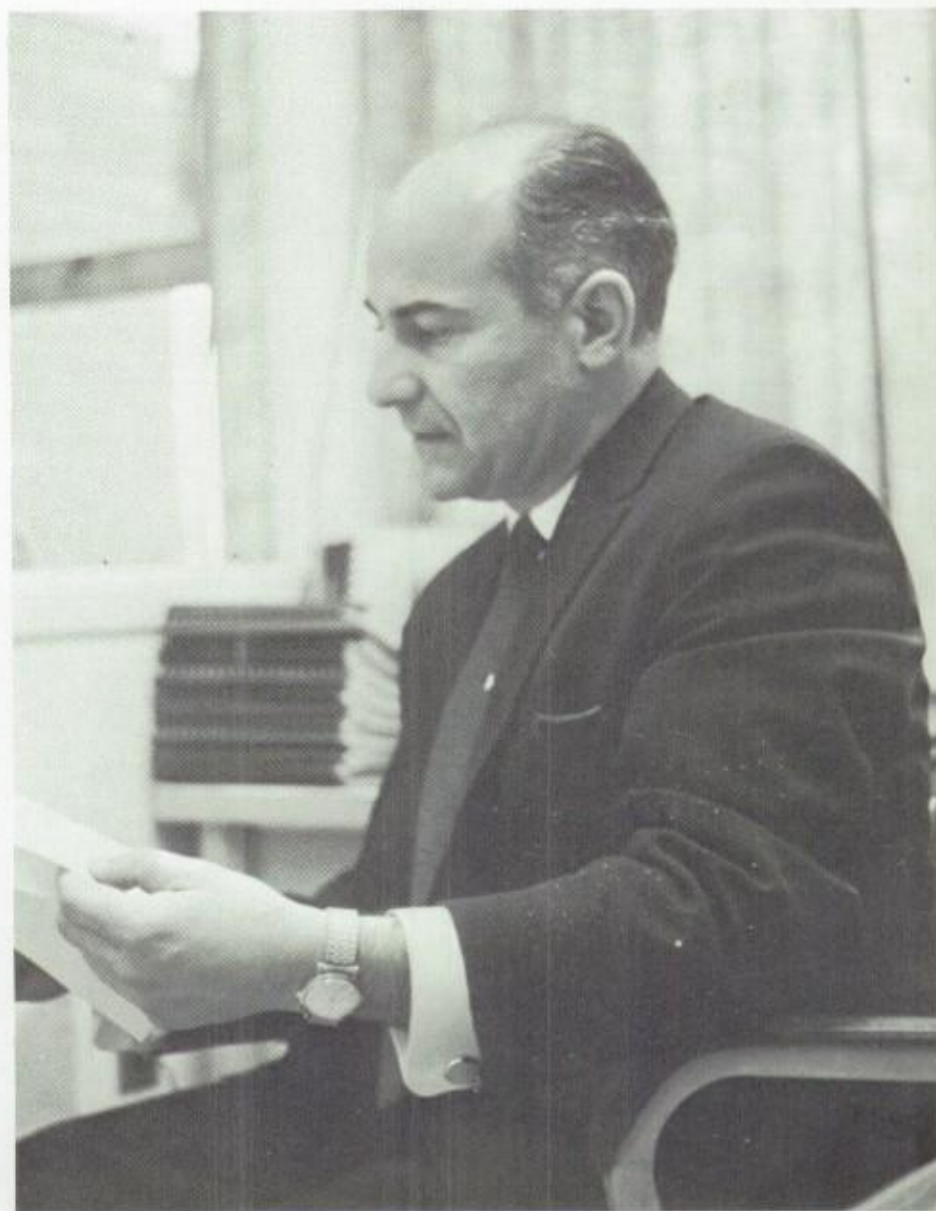

The entire educational system of Hopewell High School is under the supervision of Mr. John P. Milanovich. He, with the assistance of Mr. Bonomi and Mr. Kratzert, has strived to provide every student of Hopewell with the best educational opportunities available. The energies and abilities of these men are combined into one great effort to make Hopewell High one of the best schools in the area. The newly initiated Independent Study program and the recently constructed athletic facilities display their constant concern for the improvement of our school system.

Mr. John P. Milanovich, *Supervising Principal*

Mr. Donald D. Kratzert, *Administrative Assistant*

Mr. Camillo A. Bonomi, *Assistant Supervising Principal*

Mr. Mulik

Mr. Mulik and Mr. Bonomi

Mr. Waters

Principals

When Mr. Bonomi was promoted to Assistant Superintendent of Schools, Mr. Mulik, former Assistant Principal, became our Principal and Mr. Waters, a former biology teacher, became our Assistant Principal.

One of our administration's outstanding accomplishments was the successful evaluation in 1965 by the Middle States Association of Secondary Schools and Colleges. Thanks to the careful planning of Mr. Bonomi and Mr. Mulik and the co-operation of teachers and students, Hopewell received the honor of being accredited.

Despite their busy schedules and perplexing administrative problems, these men have the welfare of the students uppermost in their minds. Hopewell High's halls ring with more than knowledge. They ring with friendship, for both Mr. Mulik and Mr. Waters always have time to smile and say hello.

Secretaries

Completing the innumerable tasks that are essential to a smooth-running school system keeps our secretaries busy. The work of the administration, faculty, and students could not function so smoothly without the friendliness and generous assistance of the secretarial staff.

Cafeteria And Maintenance

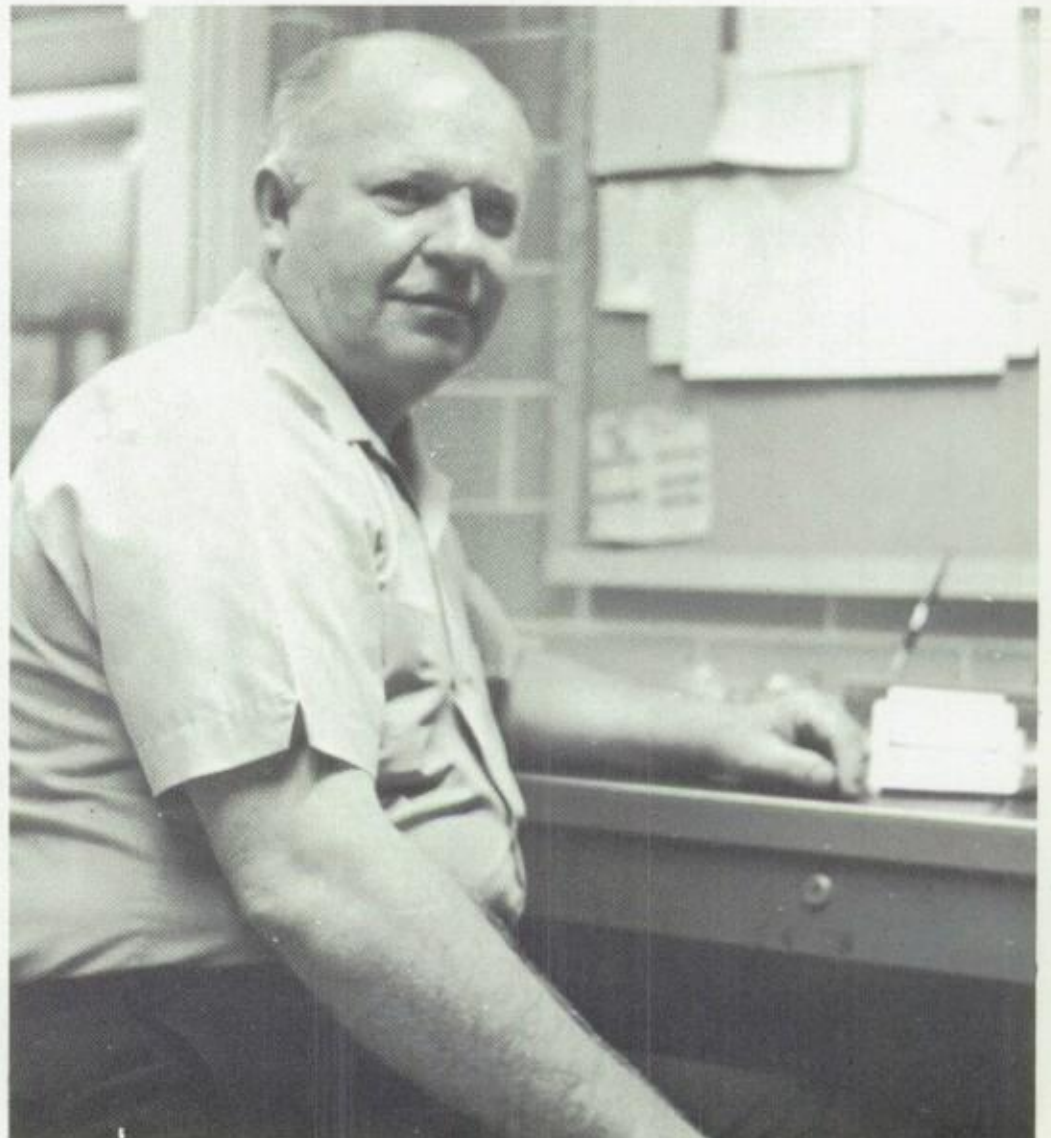

Our cafeteria staff is largely responsible for making the noon hour an important time in the daily schedules of the students. Under the direction of Mrs. Jane Roberts, dietitian, these women work long hours to keep the people of Hopewell High healthy and happy. The following are members of the staff:

Mrs. Margaret Rittenour
Mrs. Anna Nanasi
Mrs. Anita Shannon
Mrs. Cleo Stratton

Our able maintenance staff keeps the building and grounds of Hopewell High in top shape throughout the year. From washing windows to tending furnances, these people are kept busy twenty-four hours a day. They are an integral part of Hopewell High School. The following are members of the staff:

Joseph Turzak, superintendent
Earl M. Hineman, maintenance manager
Steve Berkner
James H. Campbell
Michael Dengel
James Efaw
John Heinlein
Philip Oskowski
Steve J. Yanyecic

When the autumn leaves started to fall and everyone settled into the school routine, Hopewell prepared for its annual **HOMECOMING WEEKEND**. 1967's first main activity occurred on October 7 and 8. On the misty, gloomy evening of October 30, there were ghosts and witches haunting the Alpine Ranch – they were the seniors at their **HALLOWEEN PARTY**. Screams and shouts emanated from the cafeteria on November 5 as the Daisy Maes of the senior homerooms chased their L'il Abners. The **SADIE HAWKINS BALL** was the first of its kind at HHS. The **OLYMPIC GAMES** stirred a revival of class loyalties as the seniors defeated the juniors at an assembly on November 16. Another teeth-gnashing contest, the **POWDER PUFF FOOTBALL GAME**, was held the next day between the senior and junior girls. Powder Puff football was another first and helped to support "LITTLE HOPEWELL," which is to be a school in an under-developed country built through funds raised by our students. The sophomores finally made the headlines as the Dutch men and women captured the winning trophy in the **SQUARE DANCE CONTEST** on January 5. Journeying to Hopewell the night of February 15, some donkeys made the scene. The Varsity boys defeated the faculty and the junior girls were victorious over the sophomores at the annual **DONKEY BASKETBALL GAME**. The Leaders' Club and the Gym Team staged an excellent Gym Show for the enjoyment of all of March 3. The Senior class play, "THE LIFE OF THE PARTY," was well received by the school and community on April 7 and 8. "THE ROMAN HOLIDAY," the Junior and Senior prom, was an elegant event that was the end result of long hours of hard work by the Junior Class. The last days of the seniors were filled with excitement and anticipation of commencement. The **TRIP TO WASHINGTON** was a fun time for all. **MAY DAY**, May 19, in all its splendor, was the regal ending of the reign of the seniors. The next day the juniors were the upperclassmen.

Tension Mounted As Seniors Edged

This year a new activity was originated at H.H.S. — the Olympic Games. Members of the junior and senior classes participated in the following events: volleyball, badminton, ping pong, tug-of-war, balloon-blowing, a potato race, a sack race, and a relay race. Faculty members officiated at the contests. Junior and senior class sponsors and presidents were the scorekeepers.

With high hopes and a spirit of determination, the 1967 Hopewell Senior High School football team began play with their first daylight contest. The smaller and inexperienced Vikings christened their new stadium by battling the invading Bridgers to a scoreless draw.

Playing their first away game, the Viking combined a powerful ground attack and a bruising defense to stop the talented and favored Rochester Rams by a score of 18-6. A contest played at Ellwood City provided Hopewell with its second win of the season. Again, Hopewell's highly-touted defense provided the resistance while the offense generated an effective passing attack. The final score was 19-6.

The next game, played against Hopewell's old nemesis, Beaver, was ill-fated. Playing in a driving rain, Beaver fielded one of its most talented teams in many years as the Bobcats stopped the Vikings 13-0. Playing their best all around game of the season against the MAC leader, Midland; Hopewell delighted a large homecoming crowd by fighting the Leopards on even terms. But a second period miscue provided Midland with a golden opportunity to take the lead. The Leopards capitalized on this mistake, secured the lead, and won a hard-fought 13-6 victory. Bouncing back from their loss to Midland, Hopewell regained momentum and survived a last ditch effort on the part of upset-minded Monaca to defeat the Indians 18-13. Playing away from home, Hopewell bowed to Freedom by a score of 13-0.

Traveling to Farrell, Hopewell faced one of the most formidable teams in Class AA competition. Farrell's Nightraiders whipped the Vikings in a convincing manner, 52-19. The next game matched Hopewell against their arch-rival, Aliquippa. A favored Quip delegation defeated Hopewell for the first time in three years and acquired the coveted Steel Bowl trophy. The last game of the season was a spirited contest. Much to our dismay, however, the Vikings were beaten by New Brighton in a thriller, 14-12.

Vikings Faced Strong Opponents

After weeks of practice and intense competition among the boys, the Hopewell Viking Five entered league play in the role of the underdog in a section of strong contenders. Under the guidance of the new head coach, Mr. Markovich, the Viking cagers experienced an exciting, but all too often, frustrating season. Especially for senior members of the squad, the year's record was very disappointing. Not even long hours of practice, the individual talents of the players, or the tremendous coaching performance could turn in a season of wins.

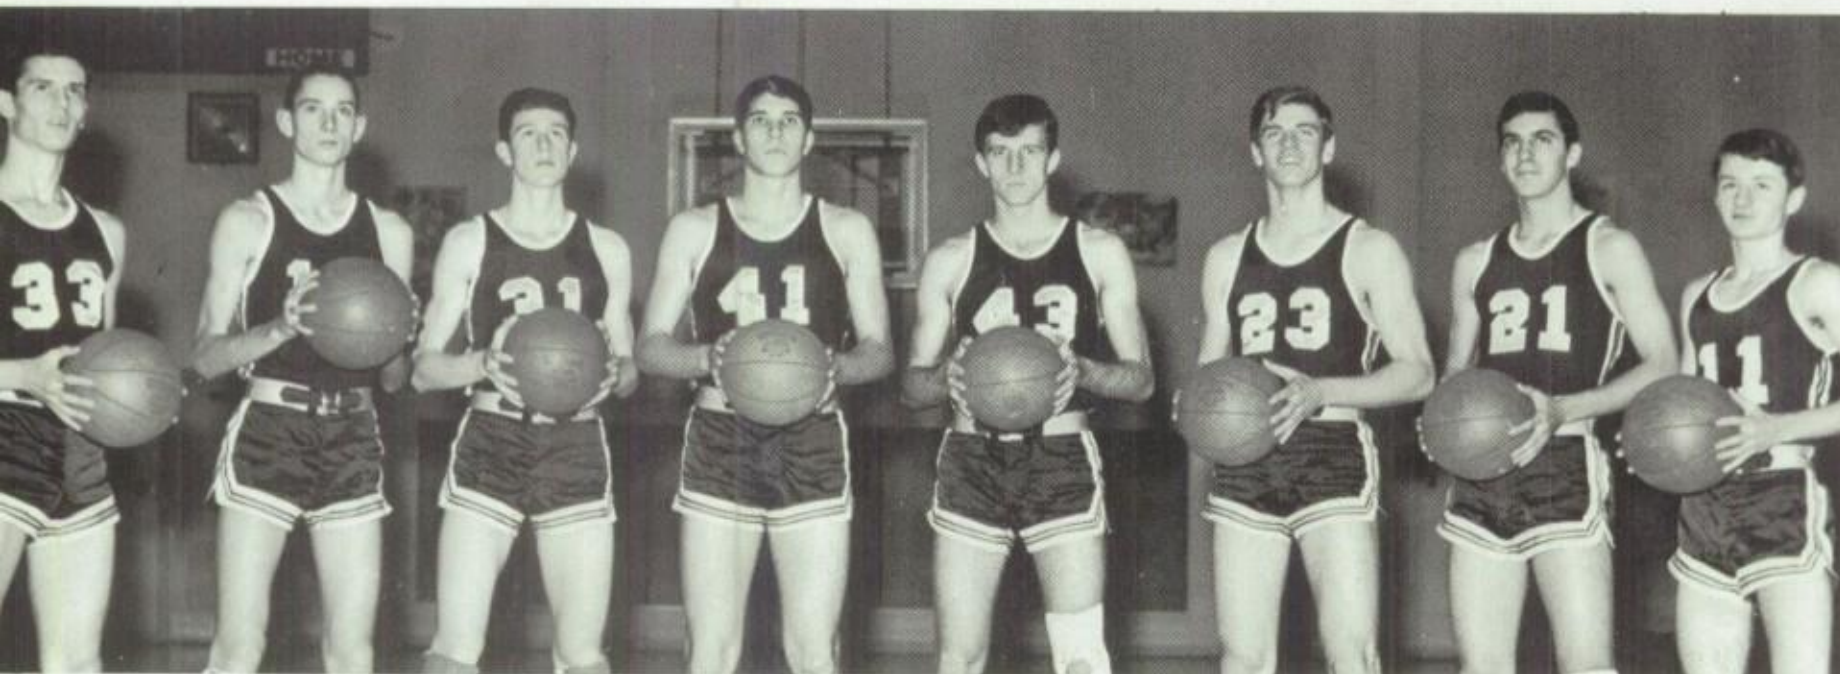

Although the season's record was not impressive, the invaluable experience gained during the past cage year has provided the Vikings with five returning lettermen. The prospects of these players, combined with solid coaching and the spirit of the student body itself, has made next year's team a formidable opponent.

Viking Netmen Dominate M.A.C.

Strengthened by a winning '66 season, the Hopewell High School Volleyball team became the strongest entry of Beaver County Schools in the W.P.I.A.L. this year. After winning the W.P.I.A.L. consolation tournament at Aliquippa High School, the Viking netmen went on to sweep the M.A.C. title. Led by the talents of Hopewell's four lettermen, Rich Adams, Grant Miller, Ron Ferguson, and Randy Vest, the Vikings captured their second team championship in the past three years.

Viking Golfers Take Second Place.

A victorious season was the happy outcome for the 1967 golf team. Balance was the key factor for this year's team success. Although Hopewell had no individual who "burned up the course," each golfer shot consistently respectable rounds. The keen competition among the members of the team for the top five spots increased not only individual ability but also the caliber of the team. Collecting a record of seven wins and one loss, Viking golfers were able to make an excellent name for Hopewell as a golf power. As shown by the season's record, the convincing wins over section opponents marked Hopewell as the team to beat.

Although the wrestling team is only in its third season, the honors earned, by this year's team in particular, have long made known the prowess of the Viking grapplers. After winning the Section Six championship last year, this year's team moved on to capture and share the title with North Allegheny. have established an outstanding model of high school wresYankello, the team was spurred on by tremendous efforts of individual ability and unselfishness. In the past three seasons, the teams produced by Coach Hrubovcak and his assistants have established an outstanding model of high school wrestling.

Several talented members have contributed to Hopewell High's legend of being one of the best high school teams, although one of the youngest. The Viking matmen also set numerous records in post-season tournaments. In the Section Six championship meet, Hopewell again placed nine men in competition. In the meet itself, Bill Maulsby was unscored upon in the 120 lb. class and Harry Smeltz kept his perfect record intact in the 138 lb. division to become the first unbeaten wrestler in Hopewell High School's history.

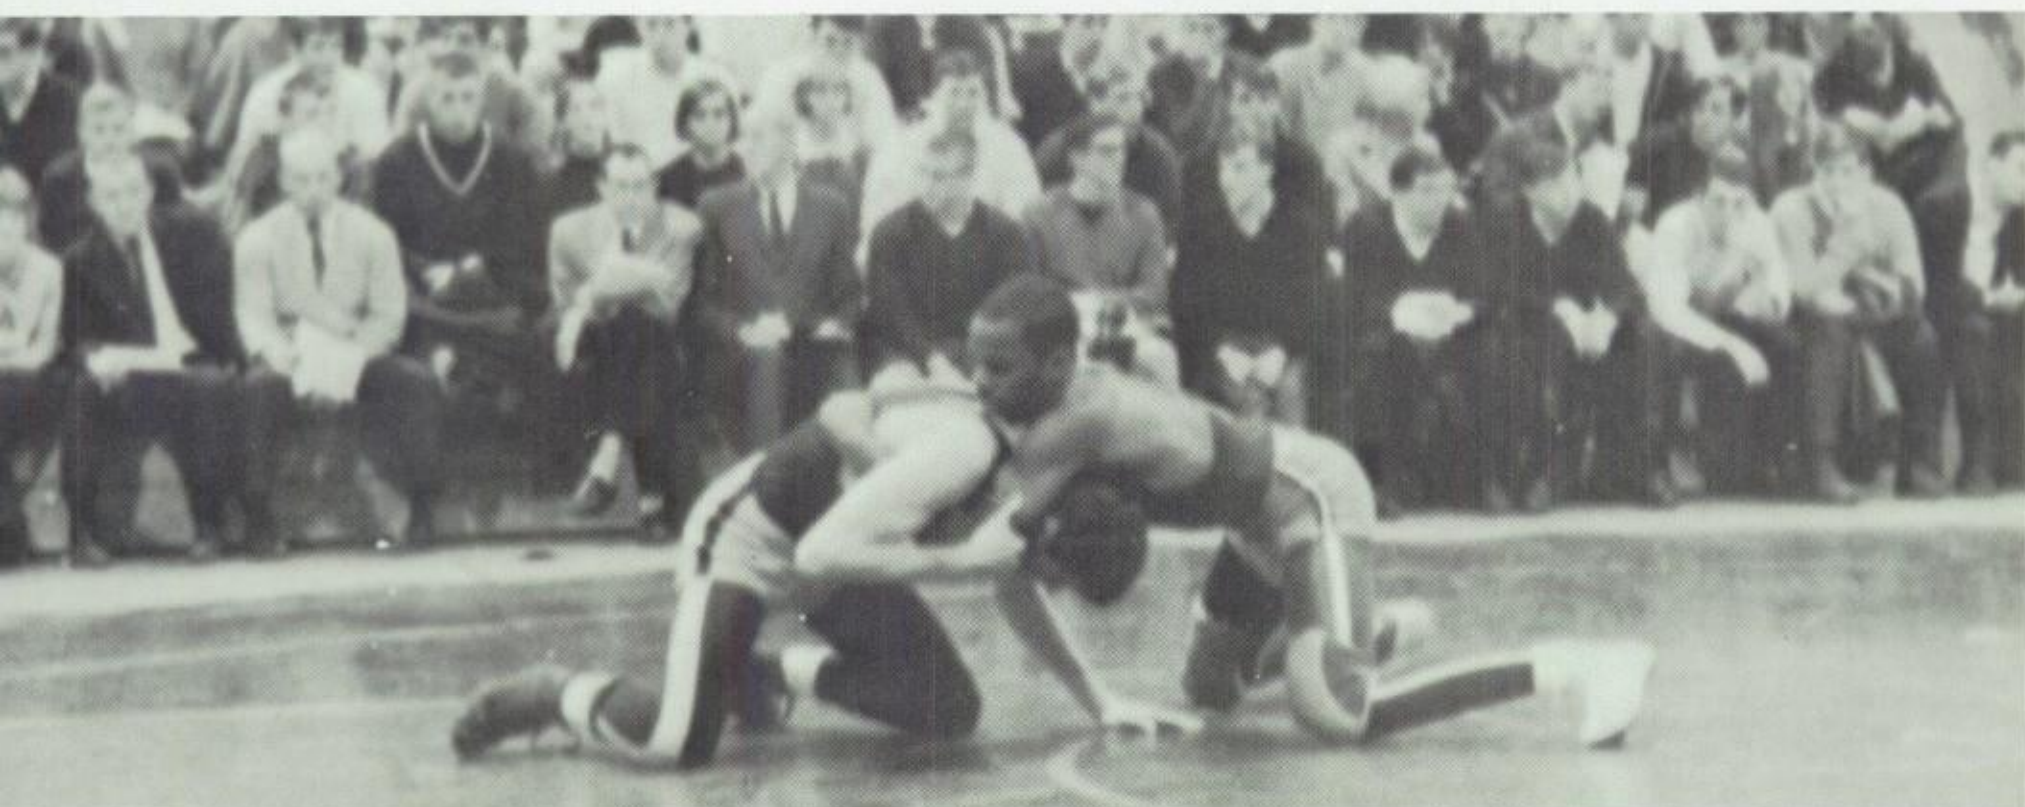

In the Northern District Qualifier meet at Penn Hills High School, Viking grapplers Larry Speicher and Bill Maulsby scored decisive victories to move into the semifinal match held at Pitt Field House. Hopewell's ace wrestler, Harry Smeltz, was forced to by-pass post-season play because of sickness. At the Field House, the Viking victories ended when Bill Maulsby was eliminated by the 120 lb. State champion Junko, of Trinity High School. Larry Speicher met the same fate when he was defeated by Dumbrowski, also of Trinity High School.

Cross Country

The Viking cross country season was both "encouraging and disappointing," according to Coach Charles Sirko: *encouraging* because this team surpassed some of the records set by the previous best team, 1965, and *disappointing* in that it did not fulfill its great potential.

Although the dual meet record was two wins and eight losses, two of the losses were by one point, and the Vikings, faced with only two returning lettermen, ventured upon a schedule which was among the toughest in the WPIAL. The team's greatest accomplishments were in the Invitational and Championship meets, where they finished third in the WPIAL Finals for the second straight year. Their second notable accomplishment was a third place team trophy in the MAC Championships, the third time that Hopewell has been able to garner one of the three team trophies.

Viking Nine Finished Strong In

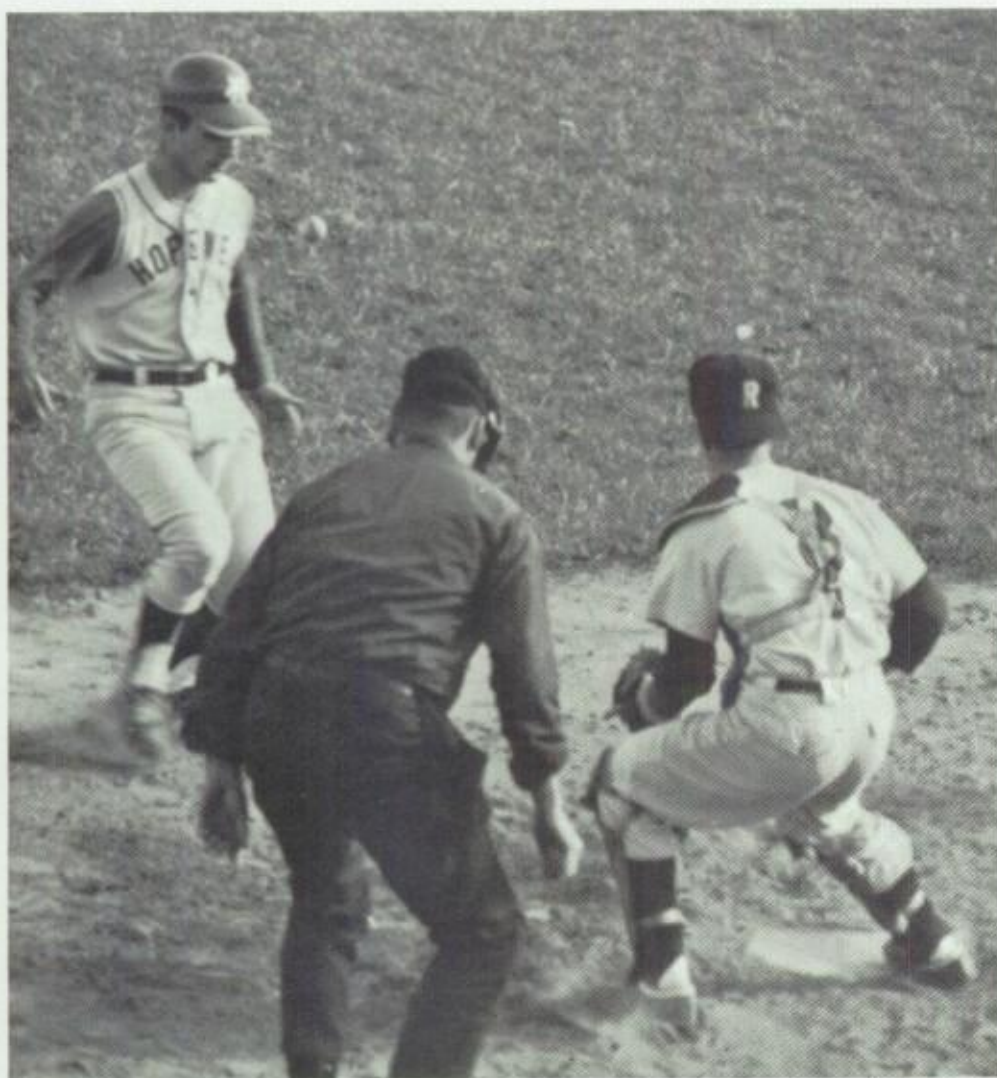

The Hopewell High School baseball team began the 1967 season with a display of clutch hitting and confident pitching. Of the six exhibition games played, Hopewell won five, giving a preview of the potential the team possessed. The Vikings began season play by losing to Beaver by a score of 4-3 in a close, hard-fought game. Aliquippa High School was marked to become the Vikings' first victim, 3-2. After a frustrating 5-4 loss to powerful Beaver Falls, Hopewell had a streak of wins by polishing off six opponents. Once again the desire and aggressiveness of the Viking nine was checked by the Beaver Falls Tigers, who seemed destined to become Section champs. Hopes of winning the Section VI championship were crushed by this 5-3 defeat. Regaining their momentum, the Vikings finished regular season play by stopping Freedom 3-1, and romping over Ambridge and New Brighton by scores of 10-1 and 12-3 respectively. The win over New Brighton highlighted a successful season with an overall record of 14 wins and only 4 losses. Catcher Jim Greenwalt, who led the team with the highest batting average, most home runs and highest number of runs batted in, received this year's Most Valuable Player Award.

Hopewell Tracksters Set New Records.

Left to right: Head Coach, Walt Cleary, Assistants, Tony Zvonar and John O'Connor

The 1967 track season, although disappointing in the won and loss column, brought encouragement for the future. Seventeen returning lettermen will enhance Hopewell's chances of being a strong section contender next year. The Viking thinclads started the season on the right foot as they defeated Churchill Area High School, 81-64, and Aliquippa High School 92-53. The Vikings' next win, however, did not come until they edged Upper St. Clair by the score of 78-67. Under Coach Walt Cleary, the track team went on to break many standing records. The time for the 440 yard relay was brought down to 46.6 by Gary McCoy, Joe Sass, Doug Shevchik, and Larry Bonner. Continuous practice and effort enabled Fred Kelsey to set a new record of 4:37.2 in the mile run. The field events provided the highlights for this year's team, and in this area, two old marks were also shattered. In the shot put, team captain Mickey Zimmerman established a new school record with a heave of 53' 1/2. Junior Tony Cozzucoli erased the previous record in the javelin with a throw of 181' 2. The past year has not only afforded the thinclads with an opportunity to polish their skills and gain valuable experience, but also has instilled an increased desire for constant improvement in future contests.

Student Council consists of two students from each homeroom. Through these elected representatives, Council provides an arena for student opinion. Council not only represents the entire student body, but also performs many valuable services, such as conducting elections, selling tickets and milk, collecting food and distributing baskets of food to the needy.

A major service project this year is the school-to-school program, sponsored jointly by the Peace Corps and H.H.S.

Chorus

The Hopewell High School Chorus, under the direction of Miss Swogger, has established itself as a major performing, ensemble both in the school and the community. It has doubled in size this year and has become a credited course of study. Members of the chorus have participated in an All-State Chorus held in Harrisburg, as well as Midwestern and Western District Festivals.

Scarab

The Scarab Club not only keeps the school supplied with colorful, interesting displays, but also offers its members the opportunity to learn more about the aspects of art by sponsoring field trips and special programs.

Under the enthusiastic direction of Mrs. Sirko, the club has undertaken such activities as buying live shrubs for the courts and supplying special movies to be viewed by the entire student body.

A high standard of Christian character throughout the home, school, and community is the goal of the members of the Tri-Hi-Y. This goal is partially achieved through service to the young and old. This year's club contributed food and clothing to the Children's Home in Mars, and gave home-made gifts to the Nursing Home in Aliquippa.

FHA

Future Homemakers of America is a national organization made up of high school girls in the United States, Puerto Rico, and the Virgin Islands. The motto of the club is "Toward New Horizons."

F.H.A. provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

Six members from the Viking Chapter took part in the Pennsylvania FHA Convention held at the Penn State University.

F.T.A.

Future Teachers of America, chartered by the national F.T.A., was started to acquaint students with the teaching profession and to stimulate new ideas in learning. These goals are accomplished through informal meetings with teachers in the area. Under the direction of Mrs. Keczmer, the newly-organized club hopes to gain influence among the student body of H.H.S.

Emily Abbott and Mrs. Keczmer entertained student teachers at the F.T.A. tea.

French

Mr. Longo, who has sponsored *Les Juenes de la France* for three years, was assisted this year by Miss Belich. A schedule of monthly meetings with many unique programs has provided a year of fun for the students of French II, III, and IV. At the November meeting, the second year students performed fairy tales in French. The Easter candy sales helped provide funds for the annual banquet, held in a typical French style. At this time Mr. Longo presented meritorious certificates to outstanding French students.

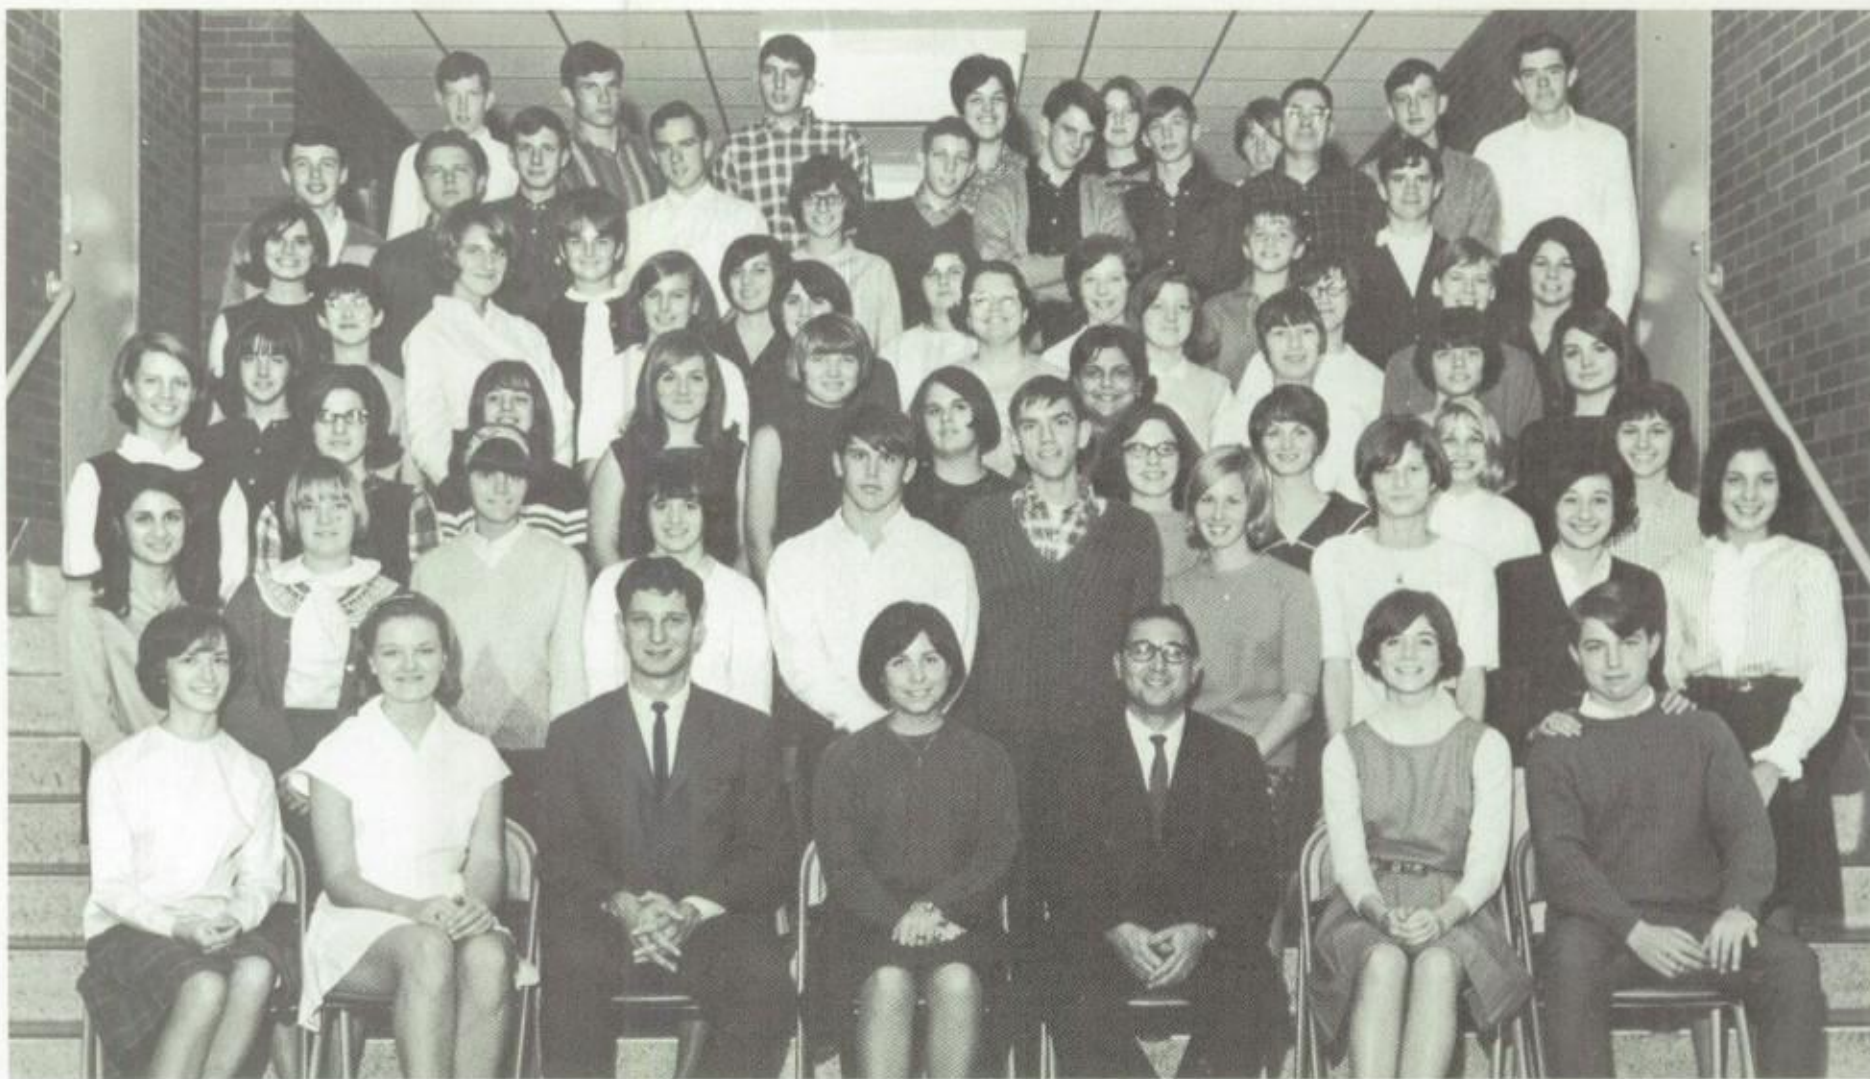

Latin

Students enrolled in Latin enrich their knowledge and understanding of Latin customs and culture by joining the Latin Club. Under the direction of Mr. Carley, the members strive to make Latin a living language of today. A field trip to Buhl Planetarium to view Latin displays supplemented classroom studies.

Spanish

The Spanish Club is comprised of students having a year or more of Spanish and a desire to gain a better understanding of the Spanish language and customs. The members do this through their many activities. An exchange student, sponsored by the club, goes to South America for three months, and an orphan boy from Chile is supported by the members of the club. At the annual banquet, the students sampled many different Spanish foods, and, with the help of Mr. Barr and his guitar, the club learned several Spanish songs. The Spanish Club has been sponsored by Mr. DiNardo for many years, and under his direction the club has widened our cultural experience.

Viking Players

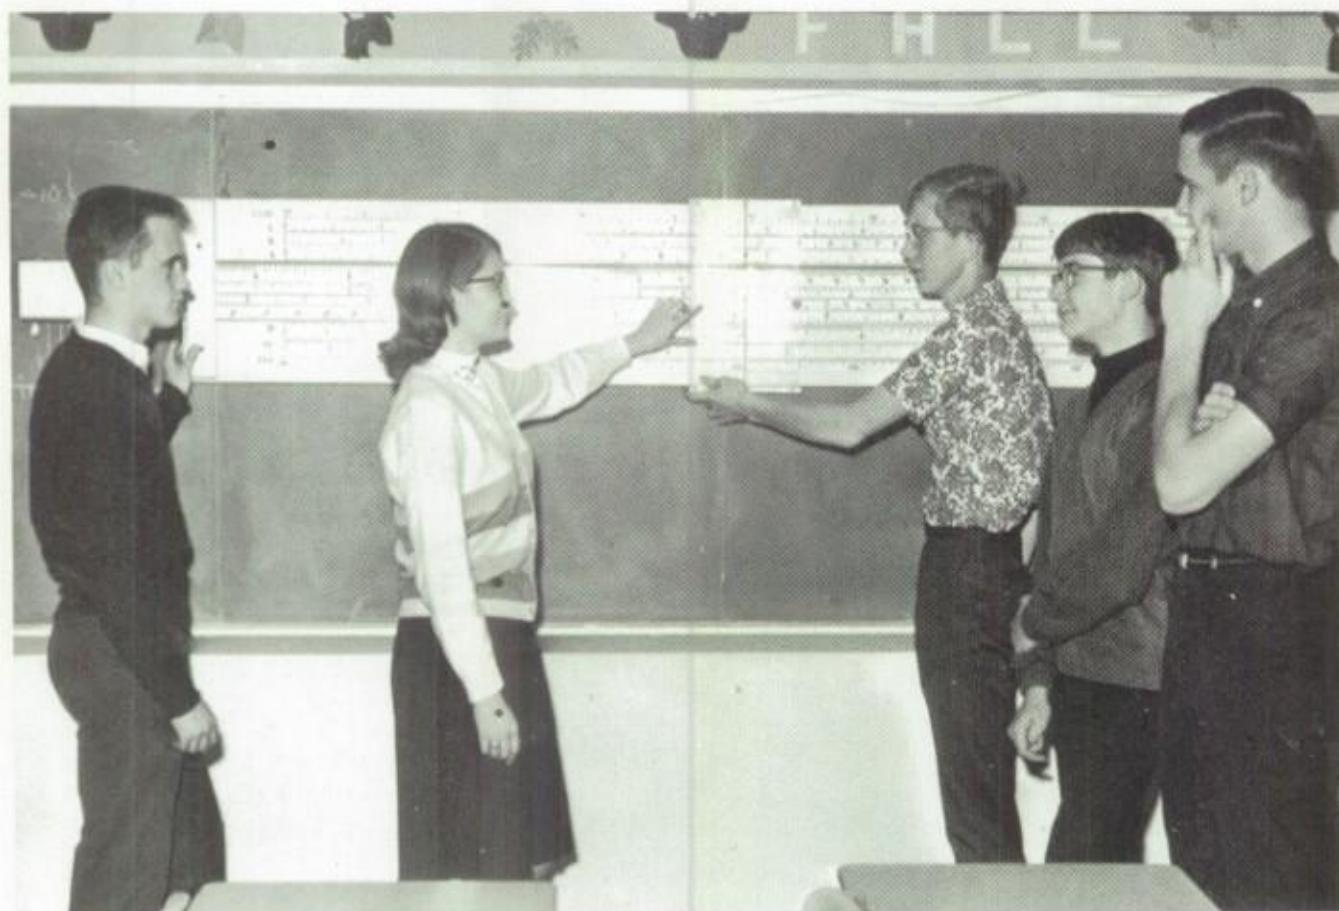

The Viking Players was founded to stimulate interest in drama, to develop poise and self-control, and to encourage appreciation of dramatic literature and its techniques. By attending meetings, working on committees, and acting in school productions, each member has an opportunity to achieve the ten points required for membership in the National Thespian Society, of which the Viking Players is a charter member.

This year Mr. Thomas, who has sponsored the club and directed school plays for two years, initiated Hopewell's first drama class, where students learn the fundamentals of acting and directing.

Math

For students who find mathematics a challenge, Mrs. Ann Olenchuk sponsors the Math Club. At meetings, members learn to use the slide rule in solving difficult problems. The club helps to prepare students for a future in math and science.

Science

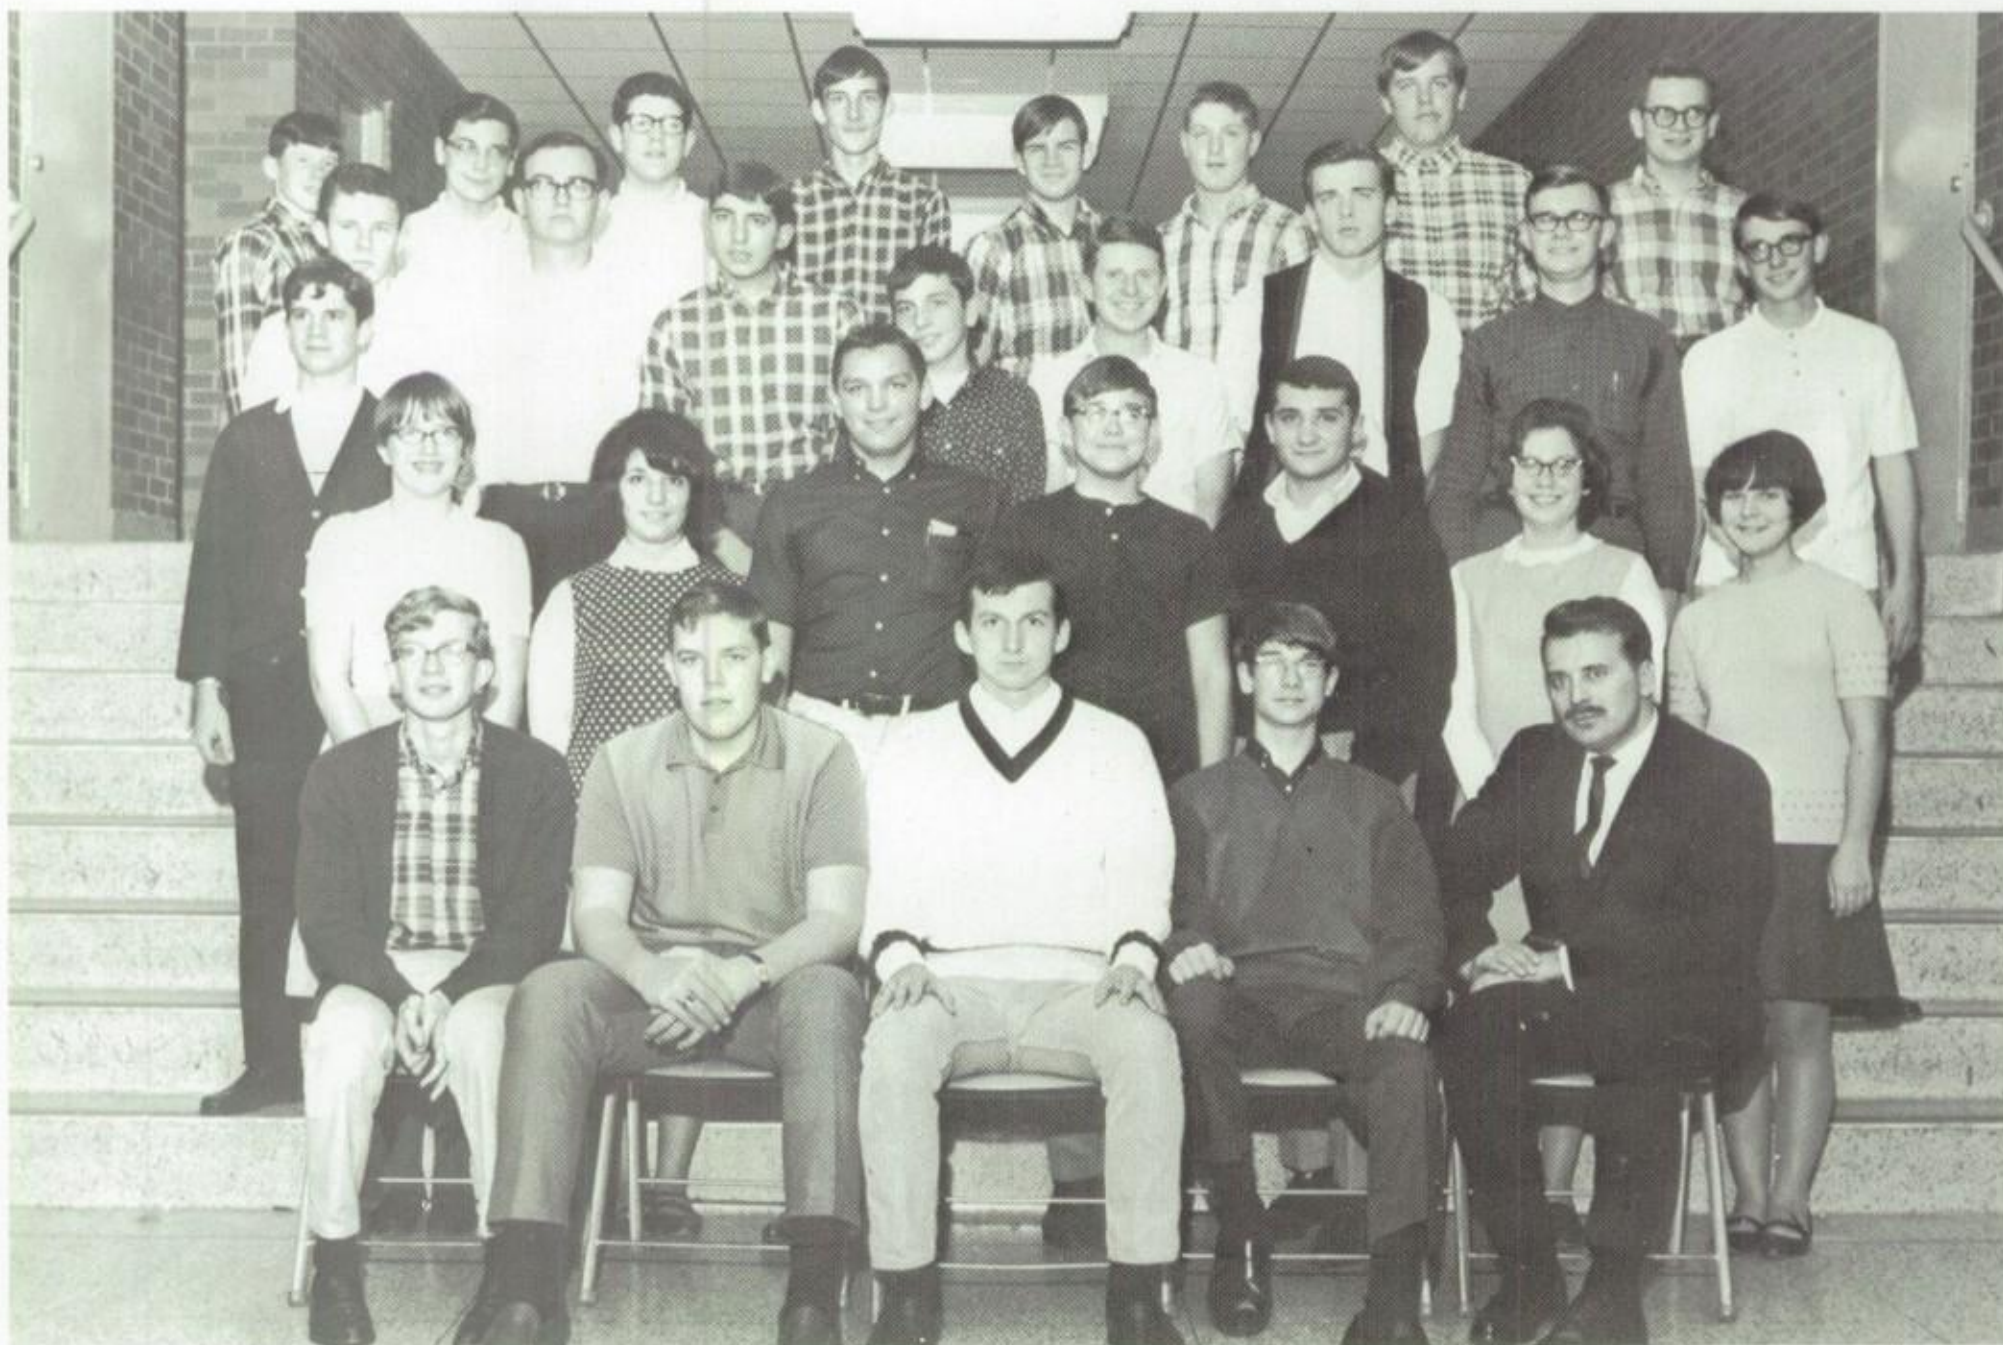

The Hopewell Science Club, which was organized for those who wish to further their interest in science, is a combination of fun and education. The club, sponsored by Mr. Frank Fazio, holds its meetings bi-monthly. Since the purpose of this organization is individual development of scientific knowledge, this club provides various ways to accomplish this end. Field trips, science fairs, and interesting and informative meetings provide endless hours of enjoyment for club members.

Chess

The main purpose of the Chess Club is two-fold. First, it provides instructions for the student who wants to learn to play chess, and second, it offers the student who already knows how to play an opportunity to exhibit and improve his talents. The Chess Club also sponsors a Chess Team, which takes part in inter-school competition, and is directed by Mr. Paulius. A highly gratifying game, chess employs both aggressive and defensive methods. Foresight, determination, concentration, and composure are only a few of the many qualities which make chess such a noble game.

Audio-Visual

This organization, co-ordinated by senior Jay Falkens, junior James Archer, and sophomore Pete Sternert, greatly aids the teachers by distributing and operating all audio and visual equipment throughout the school. Ray Rohe, Salesman of the Year, on the job

D.E.C.A.

Formed last year, the Distributive Education Club provides an understanding of business through actual work experiences. The world of sales and services is brought into the classroom by guest speakers, who are employers in the community. Certain employees earned honors, as well as wages and experience, by successfully maintaining their jobs and participating in D.E. activities. Beverly Broadwater and Jerry Holcomb were the Fundraisers of the Year, Ray Rohe was the Salesman of the Year, and Paul Sells was the D.E. Student of the Year.

Industrial Arts

The Industrial Arts Club, sponsored by Mr. Pajak and Mr. Kotun, gives its members practical experience in working with metal and wood.

Record

One of the oldest service clubs at Hopewell is under the direction of a new sponsor, Mrs. McGarry. The main purpose of this club is to provide music for all socials at a low cost. Membership into this club is obtained by a majority vote of the members.

Bowling

Strike! In baseball this is a bad start, but to the students on the Bowling Team it may mean victory. The Bowling Team had its start this year when interested students organized under the direction of Mr. Kotun. The students get together every Sunday afternoon at 2:00 at the Sheffield Bowling Lanes.

Leaders

You can't be serious!

A Square Dance, an Olympic Game, Homecoming Weekend, Semi-Formal, Mother-Daughter Banquet, and an Annual Gym Show are only a few of the activities that Leaders Club directs. Under the leadership of Mrs. Bonomi, the Leaders Club girls work hard to assist in gym classes and to help make H.H.S. something special. Leaders Club consists of junior and senior girls that have been voted in by the previous year's club. Each girl has to earn 100 points per year. These are earned by participating in their activities, selling mums, basketball programs, gym show tickets, and making posters for the gym. The year is ended with a banquet at which awards are given for high points and best senior and junior Leaders of the year.

Varsity

The Varsity Club, sponsored by Mr. Cleary, is an organization of young men who have earned a letter in at least one sport. Although athletics takes much of their time, the members do participate in service and social activities. They assisted in the Measles Clinic, built the third-place float for Homecoming, and enjoyed a skiing and swimming trip this year.

Gym Team

Skill, coordination, and agility can be found in any Gym Team girl. Long hours of practice, under Mrs. Bonomi's expert instruction, have helped these girls bring out their natural grace and talent. Each girl specializes in one of the five different categories: Free Exercise, Mat Pass, Uneven Bars, Balance Beam, or Trampoline. An annual Gym Show, presented in the spring, gives each girl an opportunity to demonstrate her abilities.

The marching band, as well as the concert band, is comprised of sophomores, juniors, and seniors, classified into three divisions: first, second, and third class musicianship. Honors, District, and Regional Band are cherished honors among band students. Membership into these organizations is highly competitive, as students from all over Pennsylvania try out for these bands.

Although individual honors are numerous, the band as a whole has received many tributes. It has been invited on many tours and performed concerts for local, state, and national dignitaries.

This fine old percussion pistol, muzzle loading, belonged to an English sea captain. It was made over a hundred years ago. The maker's hallmark identifies his work.

MARKS OF QUALITY

Today, J&L and other steel producers—proud of their skill as the pistol maker was of his—identify the beauty, durability, and quality of steel by including the Steelmark symbol in their national advertising and sales promotion. Leading manufacturers of steel products also use it to label their quality products. Look for the Steelmark when you buy.
